WHY CHOOSE KAYE?

With expert knowledge coming straight from the manufacturer, Kaye gives customers personal assistance and recommendations when ordering rental equipment. Our goal is to ensure that you're given the right products that will assist you in completing your project on time.

- Large rental fleet gives customers options to serve their needs quickly.
- Backed by expertise and service only the manufacturer can provide.
- As manufacturer products are maintained with latest software/firmware and version compatibility assured.
- Global company with ability to serve customers anywhere.

- When rental completed each system is verified at factory and customer provided with "As Found" reports.
- Systems are reset and data cleaned to ensure customer data integrity and privacy is maintained.
- Customizable solutions with flexible cost effective contract terms.
- Both AVS and ValProbe RT systems are qualified and prepared with IQOQ supporting documents.

With over sixty years in the validation and calibration business, we've developed and maintained many of our systems to adapt to the ever-changing regulations by governing bodies.

Kaye instruments have become the gold standard in the pharmaceutical

industry, well-known and trusted by the FDA.

WHY CHOOSE RENTAL?

Sometimes purchasing new equipment just isn't in the budget. Oftentimes it's quicker and more affordable to rent instruments as needed. This allows you to pay as you go and keep capital spending to a minimum. Additionally:

- Short and long-term rental agreements for unexpected projects or changes in project requirements.
- Rentals allow you to be fully operational with up-to-date equipment when unforeseen challenges arise.
- Best way to test equipment before purchasing.

FLEXIBLE AND CUSTOMIZABLE

At Kaye we want to make sure you get the right equipment for the length of time that you need it. That's why we've designed our rental program to be flexible and customizable. Whether you need one data logger or an entire validation system, we've got you covered. Our customer care team will even work with you to extend your contract if you incur an unexpected reason to need the equipment longer.

COST EFFECTIVE

Kaye Rental program is designed to provide the most flexibility and value to your rental.

- Monthly and weekly rental options.
- No upfront deposit or minimum commitment/contract.
- Rentals invoiced on monthly basis and can be shortened or extended easily.
- Quantity discounts based on volume.
